Submission Guidelines

Abstracts for poster entries must be submitted by **January 7, 2022** and can only be accepted electronically via email. Abstracts **must be fewer than 400 words** and adhere to the following guidelines:

- **Organization:** The body of the abstract should be organized into the following six sections: (1) Title, (2) Author(s), (3) Synopsis, (4) Objective/Purpose, (5) Methods, (6) Results, and (7) Conclusion
- **Avoid Commercialism:** No trade names should be used for drugs, devices, and/or instrumentation including lasers. Any medications or other substances referred to in the materials must be identified by their scientific names only.
- **Disclosure:** All authors must disclose any financial relationships – this includes lead and secondary authors.

Poster Display Information:

Posters will be displayed for the entirety of the meeting, from **Thursday, February 10 at 8:00 AM ET to Sunday, February 13, 2022 at 12:00 PM ET**. The posters will be on display in the Poster Abstract Gallery at the Loews Hotel as well as on the Virtual Platform for the SBS Meeting.

There is no official poster review session. The posters will be on display throughout the weekend for meeting attendees to view at their leisure until the end of the meeting on Sunday. If your poster is not taken down by Sunday at noon, we will discard the poster so please make sure to make plans to take it down if you would like to save the poster. Please ensure that your poster is submitted in the proper format and size.

Abstract Submission Fee:

All applications must be accompanied by a mandatory nonrefundable \$2,000 fee per abstract submission. Abstracts without this fee will NOT be accepted.

Please email the completed Poster Abstract Application/
Submission to Shannon@tarsusmedicalgroup.com
