MOPD Deep Dive: Pediatric Skin of Color Summit

FRIDAY OCTOBER 14 - SATURDAY OCTOBER 15, 2022

Pediatric patients with skin of color (SoC) can be disproportionately affected by numerous dermatologic conditions including atopic dermatitis, acne, hidradenitis suppurativa, pigmentary disorders, vitiligo, hair and scalp disorders, scarring, and laser treatments. In particular, children with darker pigmented skin can be more susceptible or have a greater disease burden associated with those dermatologic conditions or procedures. Through education in various relevant therapeutic areas, as well as expert-led case discussions and roundtable breakout sessions, this Deep Dive Course welcomes dermatologists and allied health professionals who are looking to gain more knowledge in this area. Showcase your education, product or company to make an impact!

Sexual and Gender Diverse Dermatology: Fundamentals and Practical Pearls

SATURDAY OCTOBER 15 - SUNDAY OCTOBER 16, 2022

SGD patients face unique dermatologic issues and have unique needs often unmet by their care providers. Dermatology practitioners will be provided with the necessary education to serve this important community and help with their health concerns such as hormonal acne, hair loss/removal, HPV, skin cancer, gender affirming procedures (hair removal, facial modification) and proper aesthetic injectable use & techniques. Chairperson Klint Peebles will lead this 7 hour, 2-day event which will allow supporters to interact and engage with dermatologists and allied health providers who work with patients in this community.

STAR SUPPORTER AND SHOWCASE SUPPORTER PACKAGE

\$18,000

Join us at one of the HOTTEST sessions during South Beach Symposium. Our **Star Supporter** package allows companies to highlight the newest devices and allows attendees to take a deep demo dive while watching your procedure in real time, on real patients. We provide a patient room, basic medical materials and a physician's assistant to help prep the patient and offer 10-15 minutes on the main program.

Don't have a device but want to give a 10 minute educational (non cme) pitch on your product? Then opt for the **Showcase Supporter** package. For this, you don't need a device- you can either showcase a didactic presentation or simply get podium time. Both are great opportunities to engage attendees on your products.
