Back by popular demand (and even better!) we are expanding on our residents education this year. SBS offers direct access to our resident attendees. SBS Up+Coming is designed to meet the needs of dermatology residents in training and gives you access to over **70+ residents and fellows**. HOW? Check out page 15 to see how your company can support our Residents Reception, Residents Networking Brunch, 'So you wanna be a KOL' round table, our most popular- the Residents Summit, and other Residents Scholarship opportunities.

M MASTERS OF **PEDIATRIC DERMATOLOGY**

A PEDIATRIC FOCUS: Masters of Pediatric Dermatology (MOPD)

What was once a one day program, has now expanded based on need to a full 2 day program that focuses on the treatments in pediatric & adolescent dermatology. This year, we have added an all new hands-on to focus on the growing need for a new type of learning. While, MOPD is still the same amazing meeting, it has expanded in scope to meet our attendees and industry partners needs.

Hosted by Lawrence A. Schachner, MD, Co-Director of the Division of Pediatric Dermatology at The University of Miami Miller School of Medicine, the MOPD brings together world-renowned experts in the field of pediatric dermatology to lecture on the latest advancements.

This year the MOPD meeting will take place on February 9th + 10th and include a separate track for allied health professionals to expand our reach to even more healthcare professionals.
